Subject: CEC 16 Contracts for Excellence Presentation Follow Up

Dear Ms. Duggins,

I hope that this email finds you well. As a follow up to yesterday's Contracts for Excellence presentation, the CEC 16 would like to request a complete breakdown of the allocations made to each school in District 16. A sample response to a similar request made in previous years has been attached for reference.

Overall, the Council did not find the contents of the presentation satisfactory and looks forward to following up with their concerns in the near future.

Thank you beforehand for your time and attention.

Sincerely,

Silvia Belmonte
Administrative Assistant

Community Education Council District 16
